FPFCU now offering Zelle® with Bill Pay service!

What is it?

Zelle® is a fast, safe and easy way to send money directly between almost anyone with a U.S. banking account, typically within minutes. Using an email address or U.S. mobile phone number, you can send money to people you know and trust, regardless of where they bank.

Some additional features include:

- **Send:** Send money directly to your recipient’s bank account, typically within minutes.
- **Request:** Send a request for money! The person who receives the request will be able to accept or decline. If they accept, you will typically receive the money in minutes. (*Payment requests to persons not already enrolled with Zelle® must be sent to an email address.*)
- **Split:** If you need to split a bill or share a cost with multiple people, you can use split to calculate how much each payer owes and send a request for money.
