Wed. Jan. 11, 2023

Wed. Feb. 8, 2023

Wed. Mar. 8, 2023

Turning that final page on the 2022 calendar, we all take time to reflect. Each of us looks back on the past year, takes note of where we currently are, and looks ahead to our goals for the coming year.

2022 was a turning point year for FPFUCU with our charter expansion. Now able to serve all communities in Allen, Adams, and Dekalb counties, we have a huge opportunity to grow. We are excited about what that means for the future of your credit union. Our growth will depend on expanding our product options and service techniques in the coming year. Currently the best way to spread the word about these new opportunities is through your referrals. We depend on happy members recruiting more happy members, and our referral program makes that rewarding to you.

2022 also saw several operational changes for the credit union. With the retirement of two long-standing board members, our board had to restructure and rebuild. We added new services, including our new free bill pay and Zelle®. Our social media presence has increased with daily posts and interactive contests. We now have a 'Trade Your Grade' program where good grades earn money for our young members, as well as some very aggressive loan specials to counteract the rate increases we have seen in recent months. Change is not always, easy and while our staff remains steadfast and dependable, many of our vendors have had major staffing turn-overs, affecting the services we offer you. We appreciate your patience during transitions and assure you that we do all we can to reduce the impact these changes have on our members.

We know you have many choices when it comes to your money, and we are thankful that you trust us to be partners in your success. Our highest priority has been, is, and will be your care, comfort and convenience. 2023 is a year of great expectations, and we can't wait to share it with you.
